Dear Dr. Henney,

Nutritional supplements have long been a part of my health regimen. I have personally seen the healing effects of high quality, high quantity, (right dose) nutritional supplements.

I urge you to promptly approve the claims filed for saw palmetto and the symptoms of benign prostatic hyperplasia, psyllium husk seeds and the risk of heart disease, folic acid, vitamin B6 and vitamin B12 and cardiovascular disease; and vitamin E and the risk of cardiovascular disease.
